A RARE OPPORTUNITY TO CREATE SOMETHING YOUR OWN

98 Prennan Avenue is a 50 by 160 foot lot that offers a sunny west exposure. It is currently being sold as land value only. Few land value opportunities are left on this beautiful, mature treed street that is convenient to the subway, Kipling GO hub, highway access, the best schools, shopping, parks, and walking trails. Perfect for a family to design and custom build their forever dream home.
